REMARKS

The foregoing amendments are presented in response to the first Office Action of May 22 in the above application, wherefore reconsideration is kindly requested.

The Examiner objected to the drawings, specifically Figure 1, alleging that the reference character "18" did not clearly indicate a proper portion of that figure. We submit herewith a Proposed Drawing Correction to add the reference character "18" to the inset portion of that drawing, such that the portion of the drawing being referred to is clear. The Examiner also
